## **COVID-19 related guidelines pertaining to the YNP Bison Hunt**

1. Tribal hunters must wear a mask at all times in public places while in transit to and from their hunting location.
2. Tribal hunters must disclose the names of everyone in their hunting party, where they will be staying off-reservation, and the dates of their hunting expedition.
3. Tribal hunters must comply with all social distancing and CDC guidelines pertaining to COVID-19.
4. Tribal hunters are advised to only travel in the same vehicle with family members and to arrange housing/motel rooms to limit interaction with others outside your immediate family.
5. Tribal hunters that go off-reservation to hunt bison and other big game must self-quarantine for 14 days if they are exposed to COVID-19.
6. Tribal hunters must immediately notify Blackfeet COVID-19 Incident Command if they show and/or develop any symptoms of COVID-19 within 14 days of their hunting expedition.
